Dear Parents and Carers

**A-Level P.E Support**

I would like to inform you of the support the Physical Education department is putting in place to ensure that your child has the best opportunity to achieve or hopefully exceed their potential in the A-Level exam. I would be extremely grateful if you could discuss the listed points below with your child so that you can support and direct their revision at home.

Students should complete past papers. This is an excellent way to test knowledge and develop exam technique. The most important aspect is marking the paper. If students have not scored full marks they should amend the answer to do so. If they have scored full marks then they should try and find extra marks and further improve their answer. Students should attend the targeted revision sessions detailed on the additional sheet. These will be made compulsory in certain topic areas for those students who underachieved in those sections of the trial exams, however all sessions are optional yet beneficial for all other students.

Your P.E teacher will be on hand throughout the remainder of lessons to help consolidate understanding and can be contacted via email.

As a department we have purchased revision guides. Your son or daughter will be able to obtain one of these from Mr Gunn for £13 (discounted rate)

We have every confidence in your child’s ability. As we are fast approaching the exams, it will become increasingly essential that students work more independently and your support is very much appreciated.

Yours sincerely,

Mr Gunn
