Dear Parents and Carers

**Adopted Children**

All adopted children are entitled to Pupil Premium funding to support their academic progress. However, the School can only claim this funding for your child if parents inform the School that their child is adopted. Whilst I understand that some parents do not wish to disclose their child is adopted, I would encourage you to do so if appropriate. This information is obviously kept confidential but it does allow your child’s Director of Learning to facilitate resources to support your child’s education. The School also works closely with external agencies such as Adoption UK to offer any pastoral support that may be required.

Please do not hesitate to contact me if you this matter relates to your family.

Yours sincerely

Mr C Hambleton
Assistant Headteacher
