27 November 2018

Dear Parents and Carers

**Combined Science and Revision Guide and Workbook**

As your son/daughter is preparing for a GCSE in Science, I would like to offer you the opportunity to purchase some essential support material. In order to fully prepare for the coming examinations in May 2019, students need to practise independently as the curriculum content coverage requires a lot of the contact time in class.

- The **AQA GCSE CGP revision Guide** follows a one topic-per-page format which provides hassle-free revision for students with no lengthy set-up time and no complex revision concepts. It covers all three sciences in one book.

- The **AQA GCSE CGP revision Workbook** is for question practice. This provides questions that match every page in the revision guide and allows students to check their learning. This provides essential exam practice. It covers all three sciences in one book.

- The **CGP practice paper packs**. These give 4 practice papers per exam for biology, chemistry and physics. As this is only the second year of the new course there are very few past papers for the students to use, so these are essential for exam practice.

These are all being sold with a significant discount from the RRP.

You can either pay online via your Scopay account or a cheque or cash (payable to Rickmansworth School) can be taken directly to Mrs Leithead in SC104 at break time. Please complete and return the reply slip attached so we know what you would like to purchase.

Thank you for your support in this matter. Should you have any queries regarding the course, please do not hesitate to contact me.

Yours sincerely

Mrs S Leithead
Deputy Head of Science Faculty
