Dear Parents and Carers

Road Safety – Rickmansworth School Cycle Pass

The safety and welfare of students is of the upmost importance to us. We have therefore decided to introduce a Rickmansworth School Cycle Pass.

In order for your child to obtain a Cycle Pass we request that you discuss the pledge with your child which all students are expected follow. Please then sign and return the agreement to student reception. Your child will then be issued with a credit card sized cycle permit. Students who currently hold a cycle pass need not re-apply.

Students issued with a Cycle Pass will be required to carry the pass at all times if they wish to use the School’s bike sheds. Please note that members of staff on duty will request to cycle permits randomly or if they witness the agreement being breached.

Thank you for your support in keeping your child and the wider community safe on our roads.

Yours sincerely

I pledge to adhere to the highway code for cyclists https://www.gov.uk/guidance/the-highway-code/rules-for-cyclists-59-to-82 and I specifically agree to follow the guidelines below at all times

- Check my bike on a weekly basis
- Wear a helmet
- Have working lights when cycling in the dark or dusk
- Do not cycle in groups larger than 3 and cycle in single file when doing so
- Do not cycle on pavements
- Do not perform tricks on public roads and pavements
- Bring a padlock to school and secure my bike
- Do not ride my bike on the school grounds at any time
- Carry cycle pass at all times
- Report any dangerous cycling behaviour

I am aware that failure to follow these guidelines will result in my cycle pass being revoked, meaning I am unable to cycle to school.
