Can Your Family Support Us?
The Foundation gives all parents the opportunity to contribute directly and effectively to the education of their children.

The Rickmansworth School Foundation

Message from the Foundation
Congratulations on your son/daughter’s successful application to Rickmansworth School. We look forward to welcoming your family into the Rickmansworth School Community. We believe that every student deserves the best education and we aim to do this by delivering a first class teaching environment fit for the 21st century.

The Foundation are the driving force behind this commitment for excellence, and over the past five years have delivered financial assistance for a number of projects, including the modernisation of the Music Block, the Language Laboratory, and help with furnishing the new Sixth Form Centre. Donations in excess of £130k have been made towards these developments.

The next project is the redevelopment of the old Sixth Form Centre into a state of the art Library and Resources Centre. We really need your support to raise the £45,000 needed. A monthly donation from you would go a long way to provide the students at our School with the facilities that they deserve. Most donors chose to give about £20 a month to support our students. All parents are asked to make this commitment and I would urge you to complete The Foundation Donor Form so that your son/daughter and future students can benefit from the best facilities our fantastic school can offer.

You can follow our fundraising efforts by clicking on the fundraising icon on the School Web-Site home page which will direct you to our fundraising page.

Message from the Head
I never cease to be inspired by the incredible strength of the ‘Rickmansworth’ community, which contributes to our students’ academic success and their development into well-rounded individuals ready for life beyond school. Our community comprises of students, parents, governors, staff and many other essential partners, of which The Rickmansworth School Foundation is one.

Established in 1999, The Foundation plays an essential role in allowing the continuous development of teaching and learning facilities for the benefit of all students. Without the support of The Foundation many of the recent site developments highlighted in this form would not have been possible. These developments make such an important difference to the quality of the education provided at Rickmansworth and provide an excellent learning and social environment that every student at Rickmansworth deserves.

The Foundation is supported by parents and past students who make regular contributions, which, as outlined in our pledge are spent on improving the School and not to supplement the Government Annual Grant. Every pound is put back into the School for the benefit of the students to make a real and immediate difference to their education.

The students at Rickmansworth are benefiting from the support of The Foundation and I hope you will be able to support us in our desire to provide the very best for your child. Thank you in advance for your support.

Paul Thompson | Acting Headteacher

What real difference can your donation make?
• With just a £20 a month donation from every family in the School, we would raise about £200,000 annually
• With Gift Aid this would raise an additional £40,000 annually
• Each year we would be able to complete two major projects such as:
  - Refurbish four Science Laboratories - Provide a state of the art Library facility - Build brand new Sports Pavilion
  - Provide additional undercover external eating areas - Resurface all external areas - Phased installation of LED lighting

Our pledge to you
All funds are allocated to developments that make a real difference to the education of children

To annually consult with students and parents to establish priority areas of development

To update donors regularly on future developments and their progress
