Dear Parents and Carers

**Year 7, 8 and 9 End of Year Exams**

I am writing to you with information about the KS3 end of year exams, which take place in the two weeks immediately following summer half term. Please see the attached timetable for all Key Stage 3 core subject exams, which will take place in the week beginning 4 June in the Hall unless otherwise stated. Examinations in non-core subjects will take place in the week beginning 11 June.

The timetables for these will be sent out separately for each of Years 7, 8 and 9 by the end of this week. All non-core exams will take place in classrooms during students’ normal lessons. When students do not have assessments they will be in lessons as normal. A list of topics to revise for each subject, along with recommended revision tools and techniques will be available on the School website shortly.

Students are not being set home learning in the week prior to half term and will also not be set any home learning to complete over the half term break. This will give students time to focus on revision for their assessments. Home learning will recommence on Monday 18 June once the exam period is complete.

If you have any questions about the content of any of the examinations, please do not hesitate to contact the relevant teacher or Head of Department.

Yours sincerely

Mr G Burgess, Ms AM Sprenger and Mrs S D’Moriah
