21 March 2018

Dear Parents and Carers

PTA Uniform Shop

Unlike many other schools our Uniform Shop is run by the PTA and parent volunteers. This enables us to sell high quality uniform at competitive prices, whilst generating a substantial source of income which helps fund additional resources and the refurbishment of teaching areas. The uniform shop raises approximately £20,000 per annum, with recent funding helping to pay for the Music block refurbishment and the instalment of the Language Lab.

This does, however, mean that items of uniform can only be purchased at the Uniform Shop on the specific dates below. I appreciate this causes some constraints, but unfortunately uniform cannot be purchased outside of these dates, the only exception being School ties, which can be purchased from Student Reception.

Students with lost items of PE kit should speak with their teacher to establish an alternative option until the next Uniform Shop.

Forthcoming Uniform Shop Dates

- 30 April 7-8pm
- 4 June 7-8pm

These dates can also be found under Parents/Uniform on the website and are listed in the School calendar.

Thank you for your understanding with this matter. In the meantime, please contact uniformshop@yahoo.com if you would like to volunteer to help the PTA Uniform Shop.

Yours sincerely

Chris Hambleton
Assistant Headteacher
