19 April 2018

Dear Parents/Carers

P.E Kit for Summer Term

Due to exams taking place in the Sports Hall during the exam season, there will be no indoor space during KS3 and KS4 PE lessons. This means that during adverse weather conditions such as rain students will still be taking part in PE outside. As a result, your son/daughter should have the appropriate kit in order to go outside in all situations.

It is also essential that when taking part in the sports mentioned below, your son/daughter brings in football boots along with their trainers to all lessons to ensure they can still take part even if the ground is wet.

- Athletics
- Rounder’s
- Softball
- Field (any activities on the field for CORE P.E)
- Cricket

Please ensure your son/daughter is aware of this information. If they do not have this kit from 27 April onwards they will unfortunately be issued with a H1. The PE uniform policy is also attached.

Thank you for your co-operation.

Yours sincerely

Mr Gunn
Head of PE Department
