Moving onto the new theatre which is being built, it is important to understand that the money from the government will only build the shell. The new building needs equipment to function as a modern educational space and without the combined efforts of the PTA fundraising events and contributions from The Rickmansworth School Foundation we will not have the following items:

SCHOOLS ARE EXPENSIVE TO OPERATE
State funding only covers a portion of our operating expenses. In addition, we have to use all other sources of income, such as hiring out the swimming pool and Sports Hall facilities, to make ends meet. Schools are expensive to run for reasons many parents may not have realised. To start, there are salaries for staff. To recruit and retain the best teachers that the students deserve, we need to pay the required rate. Then there is the expense of maintaining the school property, along with the insurance necessary to create a safe environment for all students.

SCHOOL ANNUAL BUDGET

86% TEACHING & SUPPORT STAFF
12% PREMISES & IT
2% LEARNING RESOURCES

2% on direct learning resources equates to about £100,000 spent on resources in the classroom. This works out at only £70 - £80 per pupil per school year, which shows how significant additional funding is. This is where you have an active role to play by donating to The Rickmansworth School Foundation.

SOME ITEMS THE RICKMANSWORTH SCHOOL FOUNDATION HAS CONTRIBUTED SO FAR....
- Fully paid for the outdoor table tennis tables
- Providing an enhanced recreational area for students during lunch breaks and promoting a healthy lifestyle
- Fully paid for the refurb of the MFL classrooms
- These classrooms were gutted and completely remodelled into MFL labs with new computers for all the students
- The Music Block ‘State of the Art’ music making software

All other refurbishments it has contributed towards, we simply would not have been able to complete to this quality without your support.
