14 February 2019

Dear Parents and Carers

GCSE Separate Science Revision Guide and Workbook

As your son/daughter is preparing for a GCSE in Science, I would like to offer you the opportunity to purchase some essential support material. In order to fully prepare for the mock exams later this year and the examinations in May 2020, students need to practise independently as the curriculum content coverage requires a lot of the contact time in class.

- The **AQA GCSE CGP revision Guide - £9** follows a one topic-per-page format which provides hassle-free revision for students with no lengthy set-up time and no complex revision concepts. There is one guide for each biology, chemistry and physics.

- The **AQA GCSE CGP revision Workbook - £12** is for question practice. This provides questions that match every page in the revision guide and allows students to check their learning. This provides essential exam practice. There is one guide for each biology, chemistry and physics.

- The **CGP practice paper packs - £15** these give 4 practice papers per exam for biology, chemistry and physics. As this is only the second year of the new course there are very few past papers for the students to use, so these are essential for exam practice.

These are all being sold with a significant discount from the RRP.

You can either pay online via your Scopay account or a cheque or cash (payable to Rickmansworth School) can be taken to the bursars. Please complete and return the reply slip attached by Thursday 28 February at the latest. Books will be issued at the end of the following week.

Thank you for your support in this matter. Should you have any queries regarding the course, please do not hesitate to contact me.

Yours sincerely

Mrs S Leithead
Deputy Head of Science Faculty
To: Bursar’s Office  
Re: Combined Science Revision Guide

Student Name ..............................................................................

Form & Teaching Group ............................................................... 

I would like to purchase the Science revision material as indicated below and will organise payment accordingly:
