8 June 2018

Dear Parents and Carers

GCSE GEOGRAPHY FIELD TRIP TO EPPING FOREST AND STRATFORD (LONDON) – 12 and 13 June 2018

The Geography Department has organised the above field trips as fieldwork is a compulsory part of the new Geography GCSE course. Students will be collecting data and learning the techniques used to collect this data. This is examined as part of their GCSE examination. Year 10 students will be split into 2 groups, and will visit each destination across the 2 days.

THE FINAL DETAILS FOR THESE TRIPS ARE AS FOLLOWS:

For both trips, we will be meeting students on “the Oval” at the front of School at 8.15am. We will be departing School by coach at 8.30am and returning to School at approximately 4.30pm. Students will be able to advise you on their return time during the journey should there be any unforeseen delays.

10V1 and 10V2 (Mrs Jessett’s/Mrs Barratt’s sets) are going to Epping Forest on Tuesday and Stratford on Wednesday. 10V3 and 10V4 (Mr Carrera’s sets) are going to Stratford on Tuesday, and Epping Forest on Wednesday.

Students should wear appropriate clothing for these day trips, such as tracksuit bottoms, T-shirt, jumper and waterproof coat as well as comfortable shoes or walking boots as there will be a large amount of walking. On both days students must be prepared for adverse weather conditions. FCS Epping Forest are able to provide wellies but if your son/daughter wants to bring their own, this is recommended.

Students must be provided with a packed lunch, snacks and water to see them through the day. Students must bring writing equipment. A clipboard is recommended. Students will be asked to take relevant photos on both days.

Please see previous communication for your son/daughter’s obligation to behave responsibly.

Finally, please email me as soon as possible if your son/daughter’s medical circumstances (if any) have changed recently.

Please do not hesitate to contact me with any queries.

Yours sincerely

Mr J Carrera
Head of Geography
