18 May 2018

Dear Parents and Carers

**KS4 Weekly Revision Tip #3**

Following on from the Educational Psychologist Workshop, we are publishing weekly revision tips to help you support your son/daughter in their preparation for their Year 10 Trial Exams which commence on Monday 18 June.

It is essential that they prepare to the best of their ability and they should now be completing extensive revision at evenings and weekends. This ‘Weekly Revision Tip’ will be shared with students at the start of each week in assembly.

**Tip #3 - RAG rating Specifications**

Students will often study topics that they know well to make themselves feel good and avoid topics they don’t know. It is essential that your son/daughter prints off a copy of the subject specification and RAG rates it. This means highlighting each section in red, amber or green. Your child should then focus their study on the red and amber topics.

Please encourage your son/daughter to ask their subject teachers for guidance on any specific topics they do not understand.

Further guidance can be found on the School website via the link below which includes all of the revision tips and links to useful revision websites.

Thank you for your ongoing support.

Yours sincerely

Mr S White and Mrs K Link  
Key Stage 4 Team
