10 January 2019

Dear Parents and Carers

**Year 12 Destinations Day – Parent Information Evening 12 February**

On Tuesday 12 February all Year 12 students will participate in 'Destinations Day' here at School. Throughout the day students will attend workshops and a carousel of talks from outside speakers, which will equip them with all the information they need about both the Higher Education and Apprenticeship/Employment application process. We are very fortunate to have a wide range of speakers attending on the day who include ex-students who will answer questions on both university and employment; several universities and colleges who will talk about the transition from School to university or college; and employers and apprenticeship providers who will cover post A level and Graduate opportunities available, and the skills they look for in candidates.

The whole process of researching and applying for university or jobs can be daunting so to help you support the students we are hosting a Year 12 Parent Information Evening immediately following Destinations Day on 12 February. We will provide a potted version of the information given to students, running through the process of Higher Education applications, the UCAS system, Student Finance and other options available beyond Sixth Form including Higher & Degree Apprenticeships. Representatives from the University of Westminster and an apprenticeship provider will also be present to answer any questions you may have.

The evening will take place in the School Hall and will commence at 7pm, ending by 8.30pm and whilst this is aimed primarily at parents, students may attend if they wish.

Please complete the attached online response form by 1 February to confirm whether you are able to attend the information evening.

Yours sincerely

Mr C Eley
Director of Learning – Sixth Form

Miss L Pickford
Head of Careers
