20 April 2018

Dear Parents/Carers

**Year 12 Destinations Day – Parent Information Evening**

On Thursday 28 June 2018 all Year 12 students will participate in ‘Destinations Day’ here at School. Throughout the day students will participate in workshops and attend a carousel of talks from outside speakers, which will equip them with all the information they need about both the Higher Education and Apprenticeship/Employment application process. We are very fortunate to have a wide range of speakers attending on the day who include ex-students who will answer questions on both university and employment; several universities and colleges who will talk about the transition from school to university or college; and employers and apprenticeship providers who will cover post A Level and Graduate opportunities available, and the skills they look for in candidates.

The whole process of applying for university or jobs can be daunting so to help you support the students as much as possible we are hosting a Year12 Parent Information Evening immediately following Destinations Day on 28 June. We will provide a potted version of the information given to students, running through the process of Higher Education applications, the UCAS system, Student Finance and other options available to the students beyond Sixth Form including Higher & Degree Apprenticeships. Representatives from the University of Westminster and an apprenticeship provider will also be present to answer any questions you may have.

The evening will last from 7.00 pm until approximately 8.15pm and will take place in the School Hall. Whilst this is aimed at Year 12 parent’s students may attend if they wish.

Please print out and complete the attached form and return to the Sixth Form Office by 9 June to confirm whether you are able to attend the information evening.

Yours sincerely
