Dear Parents and Carers

**Year 12 internal examinations**

Due to a move to all linear courses, all Year 12 students will undertake internal assessments during lesson time in January rather than formal trial examinations. These internal assessments will **commence 8 January and conclude 18 January 2019**.

Year 12 students are expected to be in School as normal during these internal assessments and the subject teacher will inform students of when the assessments will take place and the topic areas to be covered.

Year 12 will undertake a formal internal examination period starting at the end of June, during which all Year 12 students will be given study leave. These exams will form the basis of the student’s UCAS grade predictions. We will provide more details about these examinations nearer the time.

Yours sincerely
