22 May 2018

Dear Parents and Carers

**Year 9 End of Year Exams**

I am writing to you with information about the KS3 End of Year Exams, which take place in the two weeks immediately following summer half term. Please see the attached timetable of the non-core subjects, which will tell you date and period of the assessment.

The exams for the non-care subjects will be taking place week beginning 11 June. The exams highlighted red will take place in your normal timetabled room, even though they are different subjects.

When students do not have assessments they will be in lessons as normal. A list of topics to revise for each subject, along with recommended revision tools and techniques will be available on the school website shortly.

The links can be found to the exam timetable and subject resources on the school website at:
- *Parents*
- *KS3 Subject*

Students are not being set home learning in the week prior to half term and will also not be set any home learning to complete over the half term break. This will give students time to focus on revision for their assessments. Home learning will recommence on Monday 18 June once the exam period is complete.

If you have any questions about the content of any of the examinations, please do not hesitate to contact the relevant teacher or Head of Department.

Yours sincerely

Mr G Burgess
Director of Learning for Year 8 & 9
