7 February 2019

Dear Parents and Carers

REMINDER: Wednesday 13 February 2019 at 7pm - Year 11 Parent Information Evening Study Skills and Final Preparation for GCSEs.

Thank you to those of you that have already confirmed your attendance at our Study Skills Evening for Year 11 parents in preparation for the summer GCSE examinations. **This evening is not the same information evening that we held at the beginning of the academic year and we encourage all parents of Year 11 students to attend.** This event will provide essential guidance in supporting your son/daughter in the final months leading towards their GCSE exams.

We strongly recommend that you attend this event in order to provide the best possible support for your son/daughter in the build up to their GCSEs. If you haven’t already done so, please confirm your attendance at: [https://www.trybooking.co.uk/HPQ](https://www.trybooking.co.uk/HPQ)

The evening will include a follow up presentation with Martijn van der Spoel, Educational Psychologist on effective study techniques and optimising the effect of specific parental involvement. The focus for parents helps to instil study skills routines, as explained to your sons and daughters at School, helping to create a common ‘revision language’ at home.

During the evening you will also receive an update from the Key Stage 4 Pastoral Team regarding key dates and further support available for your son/daughter, and get to hear from Year 12 students regarding their exam preparation. Year 12 students will outline what worked and what they would have done differently.

Thank you for your ongoing support.

Yours sincerely

Mr N Nelson
Director of Learning KS4
