Dear Parents and Carers

**Enrichment Day – Tuesday 8 October**

Rickmansworth School is proud to offer a broad and balanced curriculum, supporting students to achieve their best in all aspects of their schooling. We do this through a range of curricular and extra-curricular activities, including Enrichment activities. As part of this, we arrange two Enrichment Days each year, where students are off timetable for the day and working to develop themselves as a *Ricky Learner* and working alongside members of staff and external visitors to develop a range of skills.

Details of the first Enrichment Day can be found below:

**Year 10 – Key Skills Day**

Students will be developing a range of skills to support and promote their employability. The day is organised by the Careers Advisor and will give students the opportunity to consider what skills they may need to develop to ensure that they are ready for the workplace. This day provides an excellent opportunity to reflect upon where students are currently at and start to prepare them for their Work Experience, which takes place later in Year 10.

I hope that you will use this opportunity to discuss what your son/daughter has been working on during their Enrichment activities; your support is very much appreciated.

Yours sincerely

Mr S Berry
