Dear Parents and Carers

**HPV Vaccinations Year 8**

Please see attached information from the NHS Immunisation Team regarding the HPV vaccinations that are scheduled to take place in School on **Wednesday 2 October 2019**. Please note that **ALL** students in Year 8 are due to receive the vaccination this year.

Kindly note that the Electronic Immunisation Consent Form will **only** be accepted if completed **online** following the attached instructions. This has to be completed by **10pm on Tuesday 1 October 2019**; without this form your son/daughter will not be vaccinated.

Students will receive their allocated time slots via their Form Tutor nearer the time so they will know when to visit the nurse. You may wish to provide your son/daughter with a single dose of paracetamol which students are permitted to carry on them at all times if necessary. It is also important that they are well hydrated and have a good breakfast before receiving their vaccination.

If you do not wish for your son/daughter to receive this vaccine, please complete the online form and decline your consent.

If you have any queries or concerns, please contact the **Immunisation Team directly** on **01582 711 581**.

Yours sincerely
