1 July 2019

Dear Parents and Carers

Physical Education Honours Board

The PE Department at Rickmansworth School are very proud of our exceptionally talented students and we are constantly looking for ways to celebrate their sporting prowess and success. As such, we are in the process of creating a Sporting Honours Board that will be on display in the PE Department corridor.

This is a fantastic opportunity to celebrate the success, hard work and dedication of our students.

The criteria which will be considered when deciding if your son/daughter will be considered for the Sporting Honours Board are as following:

1. They have played at County level or above in their sport
2. Both student and parent are happy to have their son/daughter’s name and image on display. Please be aware that these photos will be on display in public areas during the school day and letting hours.

To be considered, please complete the attached template and send to Mr Gunn at rgunn@rickmansworth.herts.sch.uk.

This is an ongoing opportunity for our students and we will continue to welcome applications from the student body throughout the academic year.

The applications will be reviewed and students will be notified when they have been selected.

Please feel free to get in contact should you have any questions.

Yours sincerely

Mr R Gunn
Head of PE
