11 June 2019

Dear Parents and Carers

**KS3 Exams**

We are writing to inform you the KS3 students have completed their core exams. All other subjects will be completed during lesson time. The teachers will inform your son/daughter when these will take place.

These examinations provide an opportunity for students to demonstrate the progress they are making with their academic studies, and identify specific areas of strength and areas of development. They also help support the students to experience the formality of working within a large examination hall.

They all worked extremely hard and followed school expectations. Well done to all students, you should all be very proud.

We would also like to take this opportunity to thank you for your continued support and encouragement.

Yours sincerely

KS3 Team
