Dear Parents and Carers

**KS4 Weekly Revision Tip #5**

Following requests from parents we are pleased to provide you with the next ‘Weekly Revision Tip’ for parents and carers. These tips will help you support your son/daughter in their preparation for their Exams which commence on Monday 14 May.

It is essential that they prepare to the best of their ability and they should now be completing extensive revision at evenings and weekends. This ‘Weekly Revision Tip’ will be shared with students at the start of each week in assembly.

**Tip #5: Completing Past Papers**

Good exam technique is essential in ensuring your son/daughter achieves their potential. It is therefore essential that they are completing past papers on a regular basis, but please consider the following principles;

- Use the correct exam board
- Complete longer papers in smaller sections
- Complete papers using revision guides and notes
- Complete papers with no access to revision guides or notes
- Use the mark scheme to mark the paper and use a green pen
- Highlight questions you do not understand or got wrong and ASK the subject teacher for help in the next lesson

Further guidance can be found on the School website via the link below which includes all of the revision tips and links to useful revision websites.
