19 April 2018

Dear Parents and Carers

KS4 Weekly Revision Tip #4

Following requests from parents we are pleased to provide you with the next 'Weekly Revision Tip' for parents and carers. These tips will help you support your son/daughter in their preparation for their Exams which commence on Monday 14 May.

It is essential that they prepare to the best of their ability and they should now be completing extensive revision at evenings and weekends. This ‘Weekly Revision Tip’ will be shared with students at the start of each week in assembly.

Tip #4: Resources to Support Revision
Your son/daughter should have a revision guide for every subject. Revision guides break the specification down into small sections and provide the essential information. Please liaise with your son/daughter's subject teachers who will advise which revision guides to use if they do not have a revision guide.

There are many fantastic revision websites that will support your son/daughter’s revision, but they should be used as part of a balanced revision timetable. We would recommend the following sites, but please ensure your son/daughter is studying the correct exam board.

BBC Bitewise: http://www.bbc.co.uk/bitesize/
MyMaths: https://www.mymaths.co.uk/
Sam Learning: https://www.samlearning.com/
S-cool: http://www.s-cool.co.uk/
Skoool: http://www.skoool.com.eg/
GCSEPod: https://members.gcsepod.com/login

Further guidance can be found on the School website via the link below which includes all of the 9 revision tips and links to useful revision websites.

Thank you for your ongoing support.

Yours sincerely

Mr S White and Mrs K Link
Key Stage 4 Team
