19 December 2018

Dear Parents and Carers

School Emergency Closure

Further to the gas leak and school closure we have reported to you today via text, we will update you as soon as we can whether we will be able to open School tomorrow, although please note that Year 11 trial exams will continue as normal - see below. Please check the School website for an update. As you will appreciate, we are reliant on our gas supplier for information, but we shall endeavour to update the website by 7.00pm this evening.

For Year 11 Trial Exams
Regardless of whether the leak is fixed for tomorrow, Year 11 students will still be able to sit their trial exams. Year 11 students with exams should report to the Sports Hall at the normal exam time.

For example, those students sitting the History exam should report to the Sports Hall at 8.40am tomorrow morning. If they have History and then Maths in the afternoon, students will be expected to leave the School site and return for Maths, unless this causes a logistical problem e.g. they live far away from School, in which case they will need to bring a packed lunch and supervision in a safe area will be provided. If your son/daughter has Maths only in the afternoon, they should report to the Sports Hall at 1.15pm prior to the exam but should not come into School in the morning.

I would like to point out that the main part of School only is affected; the back of the School e.g. the Music block and the Sports Hall, are unaffected. This afternoon’s Year 11 trial exam is continuing in the Sports Hall and students will be dismissed from there once the exam ends.

Yours sincerely

Mr K Douglas
Headteacher
