Dear Parents and Carers

KS4 Weekly Revision Tip #2

Following requests from parents we are pleased to provide you with the next ‘Weekly Revision Tip’ for parents and carers. These tips will help you support your son/daughter in their preparation for their Exams which commence on Monday 14 May.

It is essential that they prepare to the best of their ability and they should now be completing extensive revision at evenings and weekends. This ‘Weekly Revision Tip’ will be shared with students at the start of each week in assembly.

Tip #2: Distractions
When revising it is important that your son/daughter has no distractions to ensure the time is beneficial. We recommend the following principles:

- Agree a dedicated work space
- Turn mobile phone off and leave in a different room (non-negotiable)
- Remove gaming devices or handsets
- Ensure the rest of the family avoids distracting behaviour during the revision session. Music, TV and even conversations in the background can be very distracting.

Further guidance can be found on the School website via the link below which includes all of the 9 revision tips and links to useful revision websites.

http://www.rickmansworth.herts.sch.uk/779/students/key-stage-4

As you are aware, the Easter holidays are approaching. This provides 18 non-School days in a row; it is absolutely critical that your son/daughter maximises the use of this time to ensure they have every chance of achieving their potential. We have advised students that they should be as a minimum replicating the School day in terms of the time spent revising.

Thank you for your ongoing support.

Yours sincerely

Mr S White and Mrs K Link
Key Stage 4 Team
