Dear Parents and Carers

**KS4 Weekly Revision Tip #6**

Following requests from parents we are pleased to provide you with this week’s ’Weekly Revision Tip’ for parents and carers. These tips will help you support your son/daughter in their preparation for their Trial Exams in December.

It is essential that they prepare to the best of their ability and they should now be completing revision at evenings and weekends. This ‘Weekly Revision Tip’ will be shared with students at the start of each week in assembly.

**Tip #6 - Rewards**

Ideally, every student would be Intrinsically motivated to achieve their absolute potential. However, like many of us your child is likely to respond more to Extrinsic motivation. Agreeing short term rewards can make a huge difference to the amount of time, effort and quality of revision. Similarly Long Term rewards can significantly improve attainment.

Further guidance can be found on the School website via the link below which includes all of the revision tips, links to useful revision websites and subject specific revision guidance.

Yours sincerely

Mr R Nelson
